Inspired by the precious pearls hidden within an oyster, this product line features fine crystal shell encasing a luminous glass pearl. The striking design combines crystal and brass to play with light, using gradient sandblasting to add grace and depth to each piece.

Colours & Shapes

* Standard overall height of pendant (including cable) is 2500 mm / 98,43 in. The cable can be adjusted by shortening the wire.

** All glass components are handmade - exact dimensions & colour can vary slightly.

Aurum brass | Rose brass | Argent brass
