The Raw product line captures the distinctive beauty of glass in its purest form – fresh from the furnace. Each component is bold and unique, available in crystal, soda, or golden mica finishes to enrich the depth and character of any interior. Whether displayed individually or in clusters, these pieces offer endless possibilities for creating striking designs.

Colours & Shapes

* Standard overall height of pendant (including cable) is 2500 mm / 98,43 in. The cable can be adjusted by shortening the wire.

** All glass components are handmade - exact dimensions & colour can vary slightly.
