FLUMINA W A

230V MAX. 1 x 9W E14

Assembly instructions

WARNING: Assembly lamp with the power off.

1. Attach the lamp mounting bracket to the wall.
2. Connect the power wires to the connection block.
3. Tighten the lamp to the bracket previously mounted on the wall.
4. Install the light source in the bulb holder.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
