GLADIO

230V MAX. 12W G9

Assembly instructions

WARNING: Assembly lamp with the power off.

1. Turn the screw in the locking mechanism so that the ceiling cover can be removed.
2. Hang the light fixture on the hook you have prepared in advance, which is attached to the mounting surface.
3. Connect the power cables to the connection block, tighten clamp screws, close the connection block.
4. Slide the canopy towards the mounting surface and tighten the blocking screw.
5. Mount a light source in the holder.
6. Tighten the lampshade.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
