SUGURI A/B/C/D

230V MAX. 1/2/3/4 x 12W G9

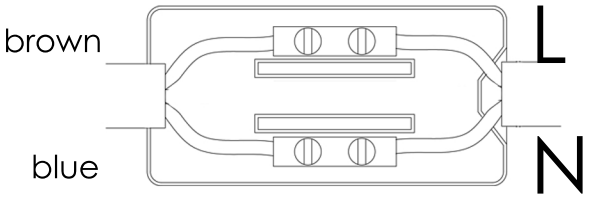

Assembly instructions

WARNING: Assembly lamp with the power off.

1. Attach the metal mounting arm to the ceiling.
2. Run the power wire through element A.
3. Attach element A to element B.
4. Fix the power wires in the connection block according to the diagram, then close the block.
5. Pull the canopy and ring up to the ceiling. Lock the ring by tightening the set screw with an Allen key.
6. Mount the light sources in the holders.
7. Tighten the lampshades.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
